

Naída CI M90 Sound Processor Future Proof Kit Order Form

If you received one Naída CI Q90 sound processor in your original kit, you have the following options if you would like to purchase a second sound processor:

- Purchase your Naída CI Q90 sound processor instead of returning it to AB after you are fit with your new Naída CI M90 sound processor.
- Purchase a second Naída CI M90 sound processor.

If you received two Naída CI Q90 sound processors in your original kit, your second sound processor must remain unopened in order to take advantage of the future proof offer for a next generation sound processor exchange. If your second processor has been opened, please proceed to page 3 to redeem the accessory options from your original order form.

Please Select: Order New Naída CI M System and return unopened processor. Keep the second Naída CI Q90 and redeem original options on page 3.

You also have the option to purchase a second Naída CI M sound processor.

- Purchase a second Naída CI M90 sound processor.

If applicable, please note the serial number of the processor to be returned: _____
